

SIMPLY ROMA™

COLLECTION

The SIMPLY ROMA™ mouldings are the perfect complement to any décor style. Their elegantly defined shapes embrace light to intensify form and function, while offering design versatility for your framing needs. Whether old-world prints, modern oils, or custom mirrors, they are the perfect complement to every work of art. Enveloped in lustrous Titanium silver that is expertly applied using cutting edge technology, this contemporary moulding collection offers an element of indubitable distinction and sophistication.

Wood: Ayous is a soft, very light imported wood that is creamy-white to pale yellow in color with a beautiful silky-matt surface.

Finish: This contemporary collection of mouldings is coated with a lustrous metallic Titanium silver finish, achieved using cutting edge technology.

Care Instructions: Avoid the use of liquid and chemical cleaning products. Dust with a soft, dry cloth.
